

# CALL FOR PAPERS

**2026**  
**REMADE**  
**CIRCULAR**  
**ECONOMY**  
**TECH SUMMIT**  
**& CONFERENCE**

Venue:

**NATIONAL  
ACADEMY  
OF SCIENCES  
BUILDING**

2101 Constitution Ave. NW  
Washington, D.C.

When:

**MARCH  
11-12,  
2026**

IN PARTNERSHIP WITH:

**ELLEN MACARTHUR  
FOUNDATION**

#### CONFERENCE CHAIR

Nabil Nasr  
REMADE Institute

#### ORGANIZING COMMITTEE

Kevin Anderson  
Brunswick Corporation  
- Mercury Marine Division

Magdi Azer  
REMADE Institute

Ed Daniels  
REMADE Institute

Jill Martin  
Dow Chemical

John Kreckel  
REMADE Institute

Barbara Reck  
Yale University

Michael Thurston  
Rochester Institute of Technology

#### PROGRAM COMMITTEE

Mohamed Aboukhatwa  
University of Illinois at  
Urbana-Champaign

Bhavik Bakshi  
Arizona State University

Alessandro Bernardi  
Braskem

Bert Bras  
Georgia Tech

Dan Cooper  
University of Michigan

Subodh Das  
Phinix LLC

Jonathan Doan  
A3 Global

Sean Kelly  
Solvus Global

Jennifer Lake  
Goodwill of the Finger Lakes

Kecheng Li  
Western Michigan University

Alan Luo  
Ohio State University

Tim McAloone  
Technical University of Denmark

Brajendra Mishra  
Worcester Polytechnic Institute

Nenad Nenadic  
Rochester Institute of Technology

Robert Radulescu  
Michelin

Tomohiko Sakao  
Linköping University

David Shonnard  
Michigan Tech

Jeffery Spangenberg  
Argonne National Laboratory

Meng Tao  
Arizona State University

Hilal Ezgi Toraman  
Pennsylvania State University

Mark Walluk  
Rochester Institute of Technology

Wencai Zhang  
Virginia Polytechnic Institute  
& State University

Peggy Zwolinski  
University Grenoble Alps / France

## FEATURING MULTIPLE ASPECTS OF THE CIRCULAR ECONOMY IN ONE UNIFIED, IN-DEPTH, MULTIDISCIPLINARY, ACTION-BASED SCIENTIFIC CONFERENCE.

The REMADE Institute, in partnership with the Ellen MacArthur Foundation, will host the fourth-annual [REMADE Circular Economy Technology Summit & Conference](#) on [Wednesday & Thursday, March 11-12, 2026](#), at the National Academy of Sciences Building, 2101 Constitution Ave., N.W., in Washington, D.C.. This conference will serve as a national [thought-leadership event on the Circular Economy](#).

For the past 150 years, economic growth has depended on our ability to extract resources from the ground, convert them into products we use, and eventually throw them away. This "Take - Make - Waste" extractive economy does not manage for the long-term. To solve this problem, we must transition to a Circular Economy, where we fundamentally transform the way we produce and use goods. The Circular Economy addresses the shortcomings of the current systems while creating new opportunities for business and society. It is based on three principles driven by design: eliminate waste and pollution, circulate products and materials, and regenerate natural systems. The Circular Economy offers systems solutions that reduce the likelihood of future shocks and create resilience.

The objective of the REMADE Circular Economy Technology Summit & Conference is to advance the national conversation on how a circular approach and sustainable manufacturing can support the nation's efforts to meet its [manufacturing competitiveness, supply chain resilience, and economic growth goals](#).

The conference is open to REMADE members and non-members alike. It will feature experts highlighting emerging technologies and research that will advance and accelerate the nation's transition to a Circular Economy.

REMADE is excited about bringing multiple aspects of the Circular Economy together in [one unified conference](#). To that end, REMADE is issuing a [Call for Papers](#) on the topics listed on the following page. Submissions from academic researchers, industry innovators, and others, including international experts, are strongly encouraged. [Papers will be peer-reviewed and published in the months following the event.](#)

## TOPICS INCLUDE, FOR EXAMPLE:

- Design for Reuse, Remanufacturing, Recovery, and Recycling (Re-X)
- AI Integration into Re-X
- Emerging Textile Recovery & Recycling Technologies
- Recovery & Recycling of Electronic Scrap, Metals, and/or Critical Minerals
- Critical Materials Recovery & Recycling
- Innovative Remanufacturing Technologies
- Recovery & Recycling of Packaging Materials
- Recovery & Recycling of Tires and Rubber
- Mechanical Recycling Technologies
- Chemical and Solvent-Based Recycling Technologies
- Building a Circular Economy for Products and Materials
- Technologies for Transforming Materials Recovery Facilities (MRFs)
- A Systems Approach to Overcoming Supply Chain & Logistics Challenges
- Systems Analysis - Techno-economic Analysis, Material Flow Analysis, & Life-cycle Analysis
- Circular Economy Business Models & Approaches

## ABSTRACTS ARE DUE TUESDAY, SEPTEMBER 30, 2025

and must be submitted via form fill on the REMADE website located at this address:

[www.REMADEinstitute.org/2026-Conference/Call-For-Papers](http://www.REMADEinstitute.org/2026-Conference/Call-For-Papers)

or scan the QR code located here to be taken to the submission page.

On the submission form, you will be asked to provide:

- Title of the Paper, Authors, and their Affiliations as well as Corresponding Author, Name, Affiliation, and E-mail address
- Select the primary and secondary topics (from the list above) that best align with your paper's title
- A 300-400 word maximum abstract in PDF format that succinctly covers what you will discuss in your paper. Abstracts should be single-spaced with 1" margins and a minimum font size of 10-point font (Arial, Times New Roman, Calibri)

*NOTE: You may include not more than one relevant graphic, high-resolution photograph, or table in your abstract, and it must include a caption that provides an appropriate context*

## ANTICIPATED SCHEDULE & DEADLINES:

Call for Papers Announced	Tuesday, August 26, 2025
Deadline for Abstracts	Tuesday, September 30, 2025
Deadline for Submission of Papers	Friday, November 21, 2025
Papers Selected	Tuesday, January 6, 2026
Presentation of Papers	Wednesday & Thursday, March 11-12, 2026

For more information or questions regarding the Call for Papers and the review process, email [contact@remadeinstitute.org](mailto:contact@remadeinstitute.org).

We look forward to reviewing your submission.

# PREVIOUS CONFERENCE REGISTRANTS & ATTENDEES

Our annual conference attracts **250-300+ ATTENDEES** every year, representing companies and organizations from around the world, including:

## A

A3 GLOBAL  
ACCELERATING CIRCULARITY, INC.  
ADIDAS  
AETERNAL UPCYCLING  
AKRON RUBBER DEVELOPMENT  
ALCOA INCORPORATED  
ALO ADVISORS  
ALLEGANY COUNTY ECONOMY AND  
COMMUNITY DEVELOPMENT  
ALTAM VENTURES  
ALUMINUM ASSOCIATION  
AMAZON  
AMAZON, THE CLIMATE PLEDGE  
AMERICAN CHEMISTRY COUNCIL  
AMERICAN CHEMICAL SOCIETY  
AMERICAN CIRCULAR TEXTILES GROUP (ACT)  
AMERICAN SUSTAINABLE BUSINESS  
NETWORK  
AMP ROBOTICS  
APPALACHIAN STATE UNIVERSITY  
APPLE, INC.  
APPVANCE  
ARGONNE NATIONAL LABORATORY  
ARIZONA STATE UNIVERSITY  
ASCEND PERFORMANCE MATERIALS  
ASML  
ASSOCIATION FOR MANUFACTURING  
TECHNOLOGY (AMT)  
AUBURN UNIVERSITY  
AUTODESK

## B

BATTELLE  
BAKER HUGHES  
BANGLADESH UNIVERSITY OF TEXTILES  
BARD COLLEGE
